## Linking Schools - Year 3

Dear Parents/Carers,

Once again, our Year 3 children have a fantastic opportunity to take part in a Linking Schools programme this year. As before we will be linking with Brackenhill Primary School.

Through the year, our two classes write to one another and send emails, pieces of artwork and poetry. All work is shared by the class teachers. There is an opportunity for the classes to play some games in a shared online Zoom call.

These are some of the questions linking schools help us think about:

- ❖ **Who am I?** - thinking about things that make us who we are.
- ❖ **Who are we?** - thinking about the similarities and differences we may share with others
- ❖ **Where do we live?** - learning about the places and communities we live in.
- ❖ **How do we all live together?** - thinking about how we all live, play, and work together so that everyone is treated fairly.

We look forward to sharing our learning from the linking network throughout the year. If you have any questions, please don't hesitate to contact me.

Thank you.

Miss A. Rose
