

FOXHILL PRIMARY SCHOOL

Headteacher - Mrs S Thomason

18th September 2025

Dear Parents and Carers,

We have recently received concerns from members of the public regarding parking around the school at drop-off and pick-up times. Some vehicles have been reported as being parked in ways that block driveways, restrict visibility, or cause an obstruction to pedestrians.

We kindly ask all parents and carers to take extra care when parking near the school. Please:

- Avoid blocking driveways or entrances.
- Park legally and with consideration for pedestrians, cyclists, and other road users.
- Allow space for residents and emergency vehicles to pass safely.

A quick reminder that with the kind permission of ARCH (Albert Road Community Hub), we are now allowed to use their car park during school drop-off and pick-up times. This is just a short walk from school and a safe space to park.

This arrangement is intended to help ease congestion around the school and improve safety for all our pupils. The ARCH car park will be available for use between **8:30-9:00am and 3:00-3.30pm** on school days.

We kindly ask that you:

- Please only park on the gravelled areas.
- Do not park on any grass areas.
- Be considerate to others using the space.
- Only use the designated areas and follow any signage or instructions from staff or ARCH representatives.

Please note that parking is at your own risk. ARCH and Foxhill Primary School can not take any responsibility for any damage caused while using the facilities.

We are very grateful to ARCH for their support, and we hope that this will make the school run easier and safer for everyone.

Thank you for your cooperation.

Kind regards

Mrs S Thomason

Headteacher
