

FOXHILL PRIMARY SCHOOL

Headteacher - Mrs S Thomason

16th September 2025

Dear Parents and Guardians,

I hope this letter finds you well. At Foxhill Primary School, we are dedicated to providing our pupils with a rich and engaging learning experience, and our Design Technology (DT) curriculum is a vital part of this. Throughout the year the children will take part in many DT projects, including cooking activities, like our annual food festival, which celebrates a diverse culinary heritage and showcases delicious dishes from around the world.

To support these initiatives, we are kindly asking for a donation of £5 from each child. Your contribution will help us purchase ingredients and materials necessary for our cooking sessions and other DT sessions, ensuring that all pupils can participate fully and enjoy new experiences.

Please send your donation in an envelope marked with your child's name and class by the end of this half term or alternatively pay via parent pay. We greatly appreciate your generosity and support. If you are unable to make a donation, this will not affect your child's participation.

Thank you for being an integral part of our school community. Together, we can create memorable experiences for our pupils.

Warm regards,

Sarah Thomason

Headteacher
