9th October 2026

Dear Year 1 Parents and Carers,

We would like to warmly invite you to our Little Wandle Phonics Parent Information Session on:

Date: Wednesday 14th October

Time: 4:30pm

At Foxhill, we use the Little Wandle Letters and Sounds Revised programme to teach children phonics and help them develop the skills they need to become confident, fluent readers.

During this session, we will explain:

- How phonics is taught - An introduction to Little Wandle and how children learn to read using phonics.
- Supporting reading at home - Practical tips and simple activities to help your child practise phonics and develop a love of reading.
- The Phonics Screening Check - Information about the Year 1 Phonics Screening Check, what it involves and how you can help your child prepare.

This will be a fantastic opportunity to learn more about how we teach reading in school, ask questions and discover ways you can support your child's reading journey at home.

We hope you can join us! Working together, we can help every child develop the confidence and skills to become a successful reader.

We look forward to seeing you there.

Kind regards,
Miss Handley
