

FOXHILL PRIMARY SCHOOL

Headteacher - Mrs S Thomason

Excellence, Inclusion, Enjoyment

2nd October 2026

Dear Parents/Carers,

Further to our previous letter regarding Free School Meals, we wanted to provide you with a brief update.

Due to a high number of applications, there have been some delays in the school receiving confirmation of eligibility from Education Benefits at Bradford Council.

If you have recently applied for Free School Meals following the changes to eligibility and have received confirmation that your child is entitled, please could you take a screenshot of the notification and email it to office@foxhillprimaryschool.co.uk.

Once we receive this confirmation, we can update your child's Free School Meal status on ParentPay. This will help prevent any further school meal charges from being added to your account while we await the official notification.

Thank you for your patience and cooperation.

Kind regards,
Mrs Bradley
Office Manager
