## Catch up sessions Spring Term 2022

Dear Parents or Carers

We can confirm that Catch up learning will once more be going ahead this term.

As school's funding has effectively been halved, a number of the sessions will be delivered as intervention during the course of the school day.

The sessions, which will be delivered by the class teachers, will be going ahead as follows: -

- Years 1,2,3 and 4: Sessions to be delivered during school time.
- Year 5 sessions will be Monday- Thursday 8.30- 9.00
- Year 6 sessions will be Monday- Friday 8.30- 9.00

If you have any questions please ask your child's class teacher.
