## Year 5 - Space Day

Dear Parents/Carers,

On Thursday 12<sup>th</sup>, Year 5 children will be celebrating 'Space Day'.

On this day, there will be lots of fun activities and learning opportunities based around space and the planets.

As always, your child is most welcome to dress up for the occasion, though this is not compulsory. If you choose to send your child in costume, please do not feel you need to spend a lot of money. They can dress up as something space related, whether it be an astronaut, an alien or a simple item of clothing with stars on.

If you have any questions, please don't hesitate to contact me.

Kind Regards,

*Miss Sharpe*
