

FOXHILL PRIMARY SCHOOL

Headteacher - Mrs S Thomason

Dear Parents,

I am writing to share some exciting news about our upcoming forest school days for **year 2** children, run by Lizzie from Bee Outdoors, <https://beeoutdoors.org.uk/#about-lizzie>, that will be taking place at Foxhill Primary on **Wednesday 22nd October and Wednesday 5th November 2025**.

The forest school day will allow our pupils to engage in a range of outdoor learning activities, immersing themselves in the natural environment. They will have the chance to undertake practical tasks and develop their teamwork and problem-solving skills. This hands-on approach to learning aligns perfectly with our school's commitment to providing a well-rounded educational experience for all of our pupils.

To ensure that our pupils are prepared for the forest school day, we kindly request that they come to school dressed in **appropriate outdoor clothing**. This should include sturdy footwear and layers that can protect them from the elements.

I am confident that our pupils will thoroughly enjoy this forest school experience and that it will contribute positively to their personal and academic development. If you have any questions or concerns, please do not hesitate to contact me.

Sincerely,

Mrs Griffin

Deputy Head
