

Foxhill Primary School

Headteacher - Mrs. S. Hey

November 2021

Dear Parents/Carers

As we approach 'Concert Season,' we would like to remind you of our rules when watching your children perform in School.

As in all Schools, we have a number of children whose photograph or video cannot be published online for safeguarding reasons.

Due to this, we ask you to please only capture your own child in your photos or video and that these memories remain for personal use. We respectfully request that they are not shared more widely on social networks.

Many thanks for your understanding.

Helen Dean
