Foxhill Volunteer / Visitor Acceptable Use Policy

To be put on the sign-in screen:
- The wifi network named 'Foxguest' may be used with the password FØxgu3st.
- I understand that the school's filtering and E-safety software will monitor my use of the ICT systems, email and other digital communications.
- I will not use a personal device (e.g. tablet, phone) to take photos/videos of others without prior permission from the Headteacher.
- I will not access social networking sites whilst on school premises.

I have read and understand the above and agree to use the school ICT systems (both in and out of school) within these guidelines.
