

Show and tell timetable—Summer Term

Here is the new timetable for our show and tell sessions, so everyone gets a turn. Remember, it is a great way for your child to share anything that is special to them with the rest of their friends via tapestry, and build up their self confidence too! They can share anything with us; a special day, a new toy or pet, something they have enjoyed doing, or an activity that they do away from school. We enjoy sharing their experiences with them, so, if there is something super special that happens and your child would like to share, please load it onto tapestry. If there is an extra, extra special event, we could try to 'squeeze' it in on a different day,
